2026 JDHS Wrestling Fundraiser Information

Dear Parents and Players,

We are entering year 3 of BFWB facilitating fundraising for JDHS and TMMS. For those of you who have been along for the ride, thank you for your patience with our efforts to streamline this as much as possible.

For 2026, every wrestler, regardless of travel, is required to:

1. *Pay the $175 Activity Fee - you can pay the fee **here.***
2. *Solicit at least 2 businesses for sponsorships, due October 15th.*
3. *Sell 4 Tickets for and participate in the Crab Feed Fundraiser - Date and Time TBD.*

How Wrestlers Pay for Travel Tournaments:

Wrestlers are required to pay their way on any trip they want to go on. This can be done fully out of pocket, by getting sponsorships, donations, selling raffle tickets, etc. Wrestlers are encouraged to fundraise $1800 for the season. Once $1800 is met, any trip the wrestler is eligible for and wants to travel on will be covered. Last season we came up with this flow chart for **How to "Pay" Your Travel Expenses**.

We used the Alaska Airlines Raffle Tickets through the Juneau School District to pay for half of each trip in 2025. This year, we're actively working to hold our own E-bike raffle, coordinated by the Fraternal Order of the Eagles. More information to come.

Sponsorships

Sponsorships are a fantastic way to bring in a majority of the $1800 fundraising goal. Sponsorship sign ups began August 18th. You can check what businesses are available on the **Sponsorship Assignment Spreadsheet**. Please do your best to choose from the list, but feel free to request businesses not listed. Please complete ONE **2026 Sponsorship Request Form** for each business you would like to solicit. Assigning businesses prevents multiple kids hitting up the same business and evens out the playing field.

The **Sponsorship Form** and **Sponsorship Letter** can also be found on the Sponsorship page. Please print these off and bring them with you to your businesses and please **put your name in the shaded box on the form so businesses donating online can choose to donate to you specifically**. If you need them printed, you can pick them up during preseason practices in the room upstairs at the Juneau Youth Wrestling Center.

Schoolfundr

The 2026 fundraising options and formatting looks a little different this year. We're maximizing our fundraising efforts and streamlining athlete tracking by using Schoolfundr. This is a FREE program that allows athletes to outsource fundraising in every electronic way possible while simultaneously tracking everything in one easy to see location, which makes the job on our end so much easier.

To start, go to our general fundraising page, **JDHS Crimson Bears Wrestling Fundraiser**, you will create a profile page FOR YOUR WRESTLER (parents do not need to make their own page, and there will be a place to enter your email so you get updates as well), enter in 20 emails of friends and family (this is a great place to hit up the out of towners and long, not totally lost friends), or more, or less. Schoolfundr will send a few rounds of emails throughout our fundraising window, but only to those on your list who haven't yet donated. This will take care of some fundraising work for you. If you are in a situation where creating a personal profile with your name and photo will not work, please don't worry; we would love to help you set up a "John/Jane Doe" account so we can still direct donations and sponsorships to your fundraising efforts on the back end.

Jen will be upstairs during practices on Wednesdays and Thursdays to help after the Parent Meeting. For instructions on set up, please watch the **Load Up Video**.

Crab Feed

All wrestlers, regardless of travel, are expected to sell 4 tickets to the 2026 Annual Crab Feed Dinner. With the busy weekends of the season full of tournament travel, it looks like our dinner will take place post season again. Date and Time are to be determined. All wrestlers are expected to work the dinner by helping prep and serve the food, help with ticket collection at the entrance, set up and monitor the silent auction area, and help clean up after the event is over.
